Re: Happy Jack Mine M037/024
San Juan County, UT

Dear Sir:

This transmits the transfer documents required by Utah State Rules and Regulations promulgated under the Utah Mined Reclamation Act.

While the total disturbed area identified in the approved notice of intention is 9 acres, it is our understanding that sufficient reclamation work has been performed by Mr. Joe D. Bierschied and Mr. William Petty to provide for a reduction in the bond amount to \$ 2,000 .

We trust that the enclosed transfer and associated reclamation contract will be approved and executed by the Board of Oil, Gas and Mining at the earliest opportunity. Please feel free to contact me should you have any questions concerning this transfer.

Upon completion of the transfer we look forward to hearing from you regarding the status of our mined reclamation contract.

Sincerely,

Richard E. Blubuagh
Vice President Environmental
and Governmental Affairs
